

LTG HUTCHINS

\*\*\*

8 July 1972

Dear Dick:

Am just back from visits to ROTC activities at Indian-town Gap, flood disaster relief activities at Wilkes Barre and National Guard training activities at Camp Drum.

Sun Tzu's "The Art of War" is here. Thanks a million. You are most kind to send me a copy. It's truly a classic and I am so glad to have it.

Best regards always,

Sincerely,

*Hutch*
